Should be given an area of 12 acres from F.S. No. 213 of Tulsigeri equally

While according to the item 2 of the discussions as stated supra, it was agreed to the grant 6 acres of forest land in Murdi village keeping in view the straightness of forest boundary. But the CF Belgaum in his letter dt 22-7-60 states that the survey done ~~not~~ reveals that the area available for release after keeping the boundary of the forest straight, comes to 10.5 acres. 8

In view of the above, the C.F. Belgaum proposes that Sri. Devagirikar and any two of the 5 people referred to at para 7 above may be given lands out of 10.5 acres in F.S No. 86 of Mardi, and the remaining three of the people referred to at para 7 above, may divide among themselves, the 12 acres in F.S No. 213 of Tulsigeri. This proposal perhaps satisfies equitable distribution and therefore may kindly be accepted. ~~The proposal~~ may perhaps 9

Sub:-Request of Shri Parasappa Durgappa Medar and other Harijans of Lokapur for grant of land in F.Sy.No.192 of Lokapur for cultivation.

....

Shir Parasappa Durgappa Madar and other Harijans of Lokapur had applied to Government in 1958 for restoration of land in F.Sy.No.192 of Lokapur. On enquiry, it was learnt that no land was granted from the Survey No. to the applicants but their request was for granting the land for cultivation. The request of the applicant was not recommended and the petition resubmitted to Government through the Chief Conservator of Forests in Mysore, Bangalore. But subsequently last month, the matter was discussed with the Deptuty Secretary, Agriculture and Forest Department, Bangalore and the Minister for Forests and Transport, and it was decided to address to you to exclude the flat area from Sy.No.192 from notifying it under section 20 of the Indian Forest Act as reserved froest and to release it for cultivation. I enclose herewith a sketch(in duplicate) of the area of 21 acres and 8 gunthas in the Survey No.shown in red colour which is reported to be flat. This much area may please be excluded from the notification to be submitted to Government and action taken for grant of the land to the applicant Harijans. The application if required may be obtained from Government in Agriculture and Forest Department which was retransmitted to them under Chief Conservator of Forests, in Mysore's No.B3-G1-4449/58 dated 25/17-11-1958.

Office of the
Conservator of Forests,

Belgaum, July, 1960.

To

The Deputy Secretary,
Government of Mysore,
Agriculture & Forest Department,
BANGALORE.

Sir,

Subject:- Request by Shri. Shrinivas Shivajeppa Devagirikar of Guledgud, a political sufferer requesting for 16 acres of forest land in F.S.No.86 of Murdi.

In respect of item No.2 of the memo of discussion held in the Chamber of the Minister for Forests on - 4-5-1960 - copy sent to you by the Chief Conservator of Forests in his No.B3-93-450/60-61 dated 27-6-1960, the decision arrived at was that the political sufferer - Shri. Shrinivas Shivajeppa Devagirikar of Guledgud whose application was supported by Shri. Pattanshetti, M.L.A. has to be given about 6 acres of forest land in Murdi village keeping in view the straightness of forest - boundary. The application of Shri. Shrinivas Shivajeppa Devagirikar along with its 2 enclosures is herewith enclosed. According to the survey done, the area available for the release after keeping the boundary of the forest area straight, comes to 10.5 acres. This area of 10.5 acres is no doubt more than the area of 6 acres decided at the meeting to be granted to the petitioner. This is because of the straightness of the remaining forest boundary. The sketch of the area proposed for release also accompanies.

2. The proposed area of 10.5 acres may be ordered to be released for cultivation by Shri. Shrinivas Shivajeppa Devagirikar and his application enclosed herewith, sent to the Deputy Commissioner, Bijapur District for granting the land to him.

3. Vide item No.6 of the memo of discussions it has been decided to distribute 12 acres from F.S.No.213 of Tulsigeri between 5 persons, which means each will get just about 2.5 acres only while as per this recommendation Shri. Devagirikar will be getting 10.5 acres. To have equitable distribution, I suggest that Shri. Devagirikar and any two out of the five persons referred to under item No.6, may be given lands out of 10.5 acres in F.S. No.86 of Murdi, and the remaining three persons of item No.6 may devide among themselves the 12 acres in F.S. No.213 of Tulsigeri. If this proposal is approved, Revenue Department may be instructed suitably.

To

Divisional Conservative Officer,
Belgaum.

Respected Sir,

With reference to the advertisement of 29-11-1958 appeared in the Samyukta Karnatak from the Govt of Mysore I apply for grant of land as relief.

In the year 1931 I participated in Non-Co-operation movement, cut Shrigandha Trees and while auctioning the same I was arrested by Shri Murgod P.S.I. and kept in lockup at Badami undertrial for some days and was sentenced to imprisionment of 4 months a fine of Rs.50/- or one month's imprisionment by the then Mamaldar Shri Navanadi. I experienced 4 months' imprisionment and paid fine of Rs.50/- as my father was confined to bed and was in his last stage. In the same year on account of picketting infront of toddy shops, I was arrested by Murgod P.S.I. and was kept in the lockup; after some days I was released unconditionally when Mahatma Gandhiji went to round table conference. The fine of Rs.50/- has not yet been refunded to me.

In the year 1941 under the leadership of Shri Shidramappa Tippa I participated in individual Satyagraha as per the advice of Mahatma Gandhiji with the permission of Collector. I was arrested by Gadkar P.S.I on 22-4-1941 and made me present before the then Mamaltdar Shri Wable I Class Taluka Magistrate Bagalkot who sentenced 4 months' imprisionment. I experienced the same completely.

In the year 1942 under the Presidentship of Shri Shidramappa V. Tippa as per the instructions of late Shri Mahatma Gandhiji I participated in the Quit India "Do or Die" movement. I observed HARTA L. I was captured by then P.S.I. Shri Ballari under section 26 I was sentenced to

11 9

detenue imprisionment of about 5 months. After release from detenue imprisionement, I was again caught by Shri Ballary P.S.I. as per Defence of India Act. I was kept undertrial for 11 months. Then I was sentenced to 4 months' imprisionment by the then Mamaltdar late Shri Jalihal.

By the time I was released and came home the financial position of my family had gone from bad to worst. Our family had to suffer much. There were 26 members in the family to support. The family had to run into debt. Hence there was no other go but to sell our house for Rs.5000/- to Ibrahimsab Gotur.

Hence I most humbly and respectfully beg your honour to kindly grant me 16 acres of land from Survey No.86 measuring 141 acres and 28 Gunthas in the Murudi round forest disforesting the same.

Hoping for your esteemed favour,

Guledgudd

Proceedings of the Government of Mysore 24 APR 1961

Read— Letter No.B3.93-450/60-61 dated 7th September 1960 from the Chief Conservator of Forests in Mysore, Bangalore.

2. Letter No.FOP/FGL/931/93/60-61 dated 22nd July 1960 of the Conservator of Forests, Belgaum Circle, Belgaum.

Order thereon.—No.

The matter relating to the grant of land to ~~Sri.~~ the political sufferers ~~Sri.Shrinivasa Shivajeppa Devagirikar~~ and others of Guledgud, was discussed in a meeting between the Officers of the Forest Department with the Min (Forests & Tr) ~~and the Government~~ on 4-5-60 and it was decided that the ~~applicants stated above~~ should be given about 6 acres of land in Murdi village keeping in view the straightness of the forest boundary. It is reported by the C.F.Belgaum that the survey done revealed that the area available for the release after keeping the boundary of the forest area straight comes to 10-5-0 acres.

This area of 10-5-0 acres, it is seen, is more than than the extent agreed to be ~~released to one applicant for cultivation~~ by Sri.S.S.Devagirikar.

Accordingly to the same discussion it was also agreed upon to grant about 12 acres from F.S.No.213 of Tulsigeri between 5 persons, viz (as at A on page 17 cf) ~~which means each will get just about 2.5 acres~~ only as against Sri.S.S.Devagirikar who gets 10.5 acres. The Forest Officers therefore recommend that the said lands be distributed among the applicants equally with a view to have ~~an equitable distribution and in the circumstances~~ request orders of the Government in the matter.

The question has been examined in all its aspects and Government is accordingly pleased to direct that a total extent of 22-5-0 acres from out of the F.S.No.213 of Tulsigeri and F.S.No. 86 of Murdi be disforested and surrendered to the ~~R.D. for being assigned in favour of the above referred to~~ applicants referred to above subject to the New Land Grant Rules of the RD.

List of Enclosures.

It is further directed that the said land be distributed among the six applicants equally with minor adjustments to suit their convenience of the applicants.

~~The CCF is requested to take further action~~ accordingly in the matter.
